PROJECTS

bozhinov.com

📅 07/2018 - Ongoing

🔗 <https://bozhinov.com>

The website that sums my skills and shows my whole working experience timeline

- Written on PHP's Laravel

Blog

📅 08/2018 - Ongoing

🔗 <https://bozhinov.com/blog>

The place where one could read more about my thoughts, my philosophy and my life motives in general

- It is like my third attempt to run a blog but this time without any rush when it comes to post frequency
- WordPress-based

VOLUNTEERING

TUES' Newspaper & Organisational Campaign

Technological School Electronic Systems (TUES)

📅 09/2012 - 06/2016 📍 Sofia

I used to organise the events in our school, as well as the team that used to run the blog, i.e. publishers, photographers, designers etc.

Personally I was writing blog posts, alongside all the organisational stuff.
